Training Courses • Career Assessments • Job Search Tools

You asked and we listened...

In response to your feedback, NAWB is partnering with Cengage Learning to respond to your professional development needs, as well as our job-seekers. The partnership makes available to members a series of workforce-specific learning tools at a reduced rate.

[Click here to view and access these valuable NAWB member learning solutions.](#)

For Directors

Training courses that help build out key competencies to help meet the leadership demands of the new WIOA legislation. These include, increased proficiency related to business/nonprofit management, data interpretation and analysis, partnership and team-building, as well as communications, public speaking, and fundraising efforts.

For Job-seekers

Tools and training across the entire Workforce Development pathway to help gain skills, credentials and certifications that lead to jobs.

Soft-Skills & Professional Skills online courses

With an online catalog of over 350 convenient online courses, you're bound to find a title of interest. Each of these instructor-led courses is taught by an industry expert, who shares their knowledge and experience with you. A new course starts every month and can be completed in just 6 weeks. [Click to view the catalog and preview each course for free.](#)

SAVE THE DATE

Wed. Dec 16th at 1pm EST

Cengage Learning will be hosting a webinar for you to learn more about these resources. [Mark your calendar and click here if you are interested in joining.](#)

Because of your membership, these discounted resources are also available to your family and friends. Simply have them click on the NAWB portal link, where they can browse and enroll.

Career Training Online Programs

Career training programs offer open-enrollment career preparation, designed to help you acquire professional experience and/or certification for over 100 in-demand occupations. [Click to view the catalog of training programs available.](#)

Team-Up Professional Development

The Team-Up portal includes modules specifically designed for Professional Development for Instructors. The portal includes online courses which generate a certificate upon completion and earn instructors valuable CEU's.

Career Online High School

The perfect opportunity for job seekers to earn their high school diploma. Students can transfer previous high school credits and earn a career certificate with their diploma.

Career Transitions Portal

Career Transitions is a platform of tools and resources that include resume building, interview simulations, and career assessments.

If you have any questions about any of our courses or tools, please email Cengage Learning at WorkforceDevelopment@Cengage.com.
